These include the supermarket, pharmacy and F&B outlets (there will be no dining-in but takeaways and deliveries will be available). All non-essential retail outlets will be closed. The mall will continue to implement precautionary measures, such as regulating capacity to allow for safe distancing, as well as thermal scanning and increased frequency of cleaning. Patrons are advised to avoid over-buying or visiting the mall during peak periods on weekends. Those with a temperature of 38 degrees Celsius and above, or show respiratory symptoms will also not be permitted to enter the mall and will be advised to seek medical attention promptly.

The Singapore Sports Hub encourages all Singaporeans to stay united and at home during this challenging and crucial period. Patrons who are on Leave of Absence or Stay-Home Notice, or have recent travel history to countries or regions placed under travel restrictions by the Singapore Government, will not be permitted to enter the Singapore Sports Hub. Members of the public who need to visit the Singapore Sports Hub are urged to practice social responsibility and take guidance from the latest Ministry of Health advisory, such as avoiding close contact with others and wearing a mask in public spaces.

Singapore Sports Hub thanks the public for their continuing support and will be coming up with some exciting programmes to keep everyone inspired while indoors.

Stay home and stay safe.

With our collective effort, the Singapore Sports Hub looks forward to seeing everyone again soon.
