Wrap up 2020 with fun activities for everyone at the Singapore Sports Hub

Singapore, 30 November 2020 – Consider this your ultimate guide to the best year-end activities, as the Singapore Sports Hub unveils exciting experiences for friends, families and your favourite crew! From walking trails with waterfront views and invigorating fitness programmes, to creative craft workshops, here's what's going on at our integrated sports, entertainment and lifestyle hub this December.

Walk of Love

The poster features a central graphic with the words 'WALK OF LOVE' in large, colorful, 3D block letters. To the left is the character Pororo, and to the right is a man in a black t-shirt with 'CASH THE MAN IN BLACK' printed on it. Above the main title, it says 'LOVE TO BOND 2020'. Below the main title, it lists the dates: '5 Dec 2020 (Walk of love with Pororo)' and '12, 19 & 26 Dec 2020 (Walk of Love with FD)'. The event is held on 'Saturday' at 'Singapore Sports Hub OCBC Square'. At the bottom, there are logos for 'THE FUTURE HERITAGE', 'Pororo The Little Penguin', 'FOCUS IN FAMILY Singapore', 'Official Venue Partner SINGAPORE SPORTS HUB', 'In Support of Sport Promotion Sport SINGAPORE', and 'Partner in Sport tote board'. A QR code is located in the bottom right corner with the text 'Register here' below it.

Wind down the year and join us for a leisurely stroll every Saturday in December (5, 12, 19, 26) where popular radio personality The Flying Dutchman will take you through our Scenic, Heritage and Stadium walking routes for a picturesque evening.

And fans of *Pororo the Little Penguin* don't want to miss the inaugural walk on 5th December! Pre-registered participants will receive a goodie bag of Pororo premiums and a limited edition medal for a fee. Unlike Pokémon where you'll have to search high and low, Pororo and Loopy will be by your side for the flag off.

A virtual version of Walk of Love will also allow patrons to join in remotely at their own time and pace within December, with only a screenshot of the stepometer required for submission.

Mark van Cuylenburg, also known as The Flying Dutchman, says, “The Walk Of Love is the first of many ‘phygital’ events in the pipeline. As Singaporeans, we are going to have to embrace so many new normals, and this event gives us a chance to set an example to our youngsters. Life changes, but we move forward.”
