Multi-sport event weekend at the Singapore Sports Hub

This weekend (11th to 12th February 2017), the Singapore Sports Hub will host a 'Multi-sport weekend at the Hub', a fun-filled pair of days that brings the community together through sports such as trail running, Steppers challenge, Zumba, Piloxing, Rugby and Ultimate Frisbee tryouts, and for the first time ever, criterium racing.

Making its debut at the National Stadium, Sports Hub HolyCrit X, organized by HolyCrit in partnership with the Singapore Sports Hub, will see the fastest cyclists in Singapore compete against each other in an exciting fixed-gear criterium night race.
