

WELCOME BACK TO A FULLY OPENED #MYSGSPORTSHUB WITH NEW ACTIVITIES FOR FAMILIES AND FRIENDS

Singapore, 26 May 2022 – An exciting line-up of live sports and entertainment awaits you at Singapore Sports Hub as all of our facilities are now fully open! Sporting programmes previously paused have resumed in full, and live events for all ages and interests are happening in time for the upcoming school holidays! If you need to fill your schedule for June, why not check out some of our fun-filled activities?

Keep Active and Work Up a Sweat!

Your kids have worked hard in school over the last term, so it is time to play hard(er)! Singapore Sports Hub has an array of sporting activities to keep the little ones active, healthy and fully entertained.

Kids aged 6 to 12 years old can pick up new and trendy sports such as in-line skating and skateboarding through the [Learn-to-Play](#) programme at **100PLUS Promenade**! Participation is FREE as part of the Active Family programme offered by the Health Promotion Board. Sign your kids up and they just might uncover hidden talents with this taste of sporting action! Get your socks and gear ready for in-line skating on 29 May and skateboarding on 5, 12, 19 and 26 June!

Also happening at the **100PLUS Promenade** is the [Junior Playcation Urban Camp](#), where kids aged 5 to 10 years old can kickstart their urban adventure this June! They will experience different sports and pick up skills (we have floorball, tennis, football, catapult and more), learn through creative play, and meet new friends!

If dribbling and shooting (and scoring!) is more your thing, get your basketball kits ready for our five-day [Basketball Summer Camp](#)! Happening from 13 to 17 June and 20 to 24 June at **OCBC Arena**, campers can look forward to training with all-star national players and certified professional coaches. They will learn how to take their basketball skills, techniques, and sportsmanship to the next level.

This camp is tailored to players of various proficiencies, and participants will be grouped according to age and skills level. Beginners will learn the fundamentals of basketball – rules, common sporting terms, basic skills and concepts – while experienced players will have the opportunity to train more intensively to further develop their ball-handling skills and basketball instincts on court.

To cool off during this warm period of the year, how about enhancing swimming skills with some aquatic lessons? Splash straight into the world of water sports with the [Aquatic Holiday Camp](#), a seven-session programme held in partnership with Torpedo Swim School in **OCBC Aquatic Centre**! Participants aged 6 to 18 years old will learn the basics of artistic swimming as well as diving!

Each 1.5-hour session comprises a dry-land component to build participants' strength, flexibility, and necessary technical skills, followed by training in the pool to practise what they have learnt.

So, what are you waiting for, head on over with your little ones to enjoy Singapore Sports Hub's full suite of facilities as they are now fully open! This includes popular attractions such as the Kids Water Playground and Lazy River at [Splash-N-Surf](#), on the third floor of Kallang Wave Mall. Families and friends can also look forward to bodyboarding and skimboarding at the Stingray®, located within Splash-N-Surf. Come on over to splash, slide, swim and so much more!
